Study trips abroad for a period of two weeks each: Dublin, Ireland (2016); Brighton, England (2017); Toronto, Canada (2019). English lessons with international students.

## Social and organizational skills and competences

---

I am a curious and enterprising person who draws personal enrichment from every experience. I love exploring the world around me, travelling and developing my knowledge and critical spirit.

I take the opportunities presented to me with great interest. I have good listening skills. I am able to work in a team without prevailing on others. I am ready to give my contribution, respecting the opinion of others.

I am determined to achieve the set goals. During years of dance, I have acquired the rigor and discipline, but also the importance of collaborating with the group, principles that have shaped my character and that I carry on in my life.

I have good organizational skills, developed over the years to combine my studies with life experiences, sports and hobbies.

## Technical skills and competences

---

Good knowledge and ability in the use of Windows, Mac OS and Office (Word, Excel, Power Point).

## **Artistic skills and competences**

---

I have done ballet, modern and contemporary dance for 8 years (2005-2013).  
Photography.
